

## California State Parks Day Use and Entry Fees

Vehicle day use and hourly parking fees include entry for one passenger vehicle or one motorcycle at most California State Parks. Most historical parks museums charge a per person fee entry fee. For persons 62 years of age or older, we provide a \$1 discount at California State Park operated units. There is no charge to walk or bike into most parks.

This is not a complete list of parks or fees. Special rates may apply for peak season, high demand holiday periods, and during weekends. Prices are subject to change without notice. For additional park information, visit [www.parks.ca.gov/Find-a-Park](http://www.parks.ca.gov/Find-a-Park).

Planning multiple visits? Information on California State Park passes is available at [www.parks.ca.gov/passes](http://www.parks.ca.gov/passes).
